# The Company

---

At KYNEX, we are committed to redefining the standards of furniture, kitchen, and wardrobe hardware with a perfect balance of innovation, quality, and affordability. As a trusted name in the industry, we take pride in offering premium solutions designed to enhance functionality, durability and aesthetics.

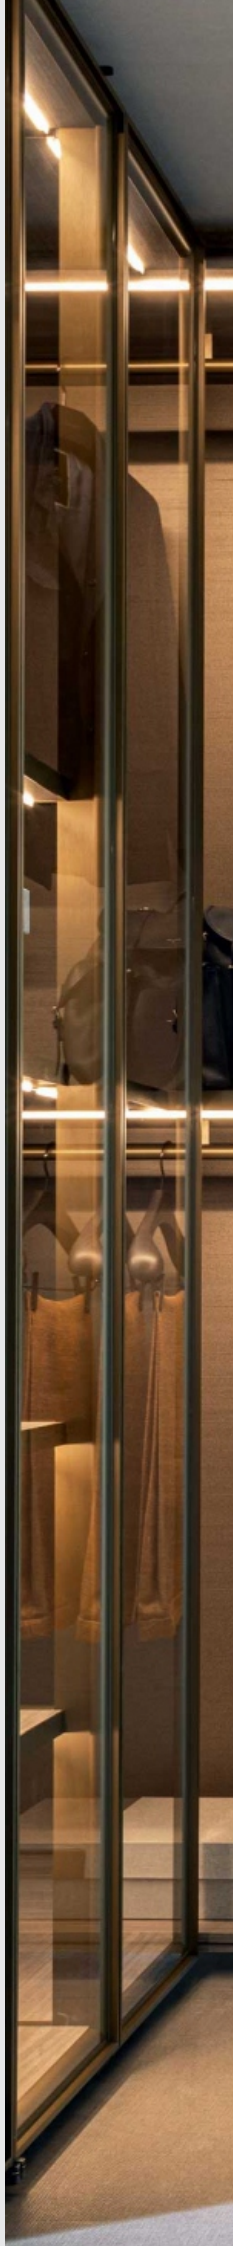

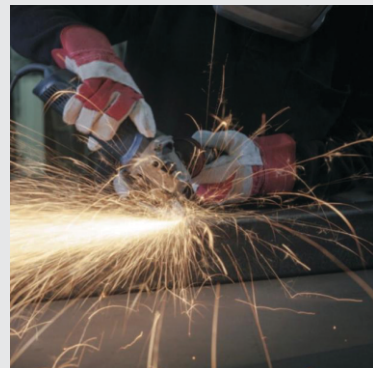

Our journey began in 2010 with the establishment of **Kay Pee Enterprises** by Mr. K.P. Singh, a visionary with over 24 years of industry experience. Through extensive research and a deep understanding of market dynamics, he laid the foundation for a company that prioritizes customer satisfaction, superior craftsmanship, and competitive pricing.

In 2015, we launched KYNEX under the umbrella of Kay Pee Enterprises, introducing a product line that integrates cutting-edge technology and world-class manufacturing. Today, we proudly serve customers across India, providing them with top-tier hardware solutions tailored to modern needs.

At KYNEX, we don't just sell hardware we deliver performance, precision, and reliability. Whether you're designing a kitchen, enhancing a wardrobe, or upgrading furniture, our products are engineered to offer the perfect blend of strength, style, and functionality.

We look forward to being a part of your projects and ensuring that every detail meets the highest standards of excellence.

# A - EDGE BANDING SERIES

Innovation in Depth and Design

## Magic 3D Edgeband – Innovation in Depth and Design:

The Magic 3D Edgeband is engineered to create a stunning illusion of depth and embossed texture through an advanced decorative print visible beneath a transparent PMMA surface. By utilizing two distinct lacquer types, we have successfully enhanced the 3D effect, delivering a sophisticated and modern aesthetic. Designed for exceptional processing performance, Magic 3D Edgeband effortlessly accommodates tight radii, trims with precision, and can be polished or beveled without compromising the integrity of the underlying print.

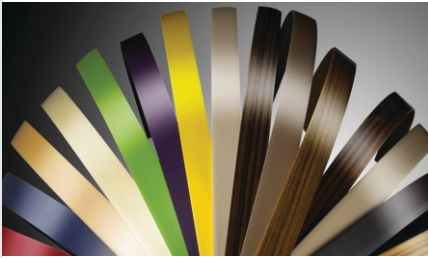

### Key Features:

- True 3D depth effect for a striking visual appeal
- No picture frame effect, ensuring seamless integration
- Can be matched or used as a contrasting edge for design flexibility
- Excellent radius compatibility, allowing smooth application around corners
- Multiple post-processing finish options to suit various design needs
- Milled radii retain the decorative print, ensuring durability and refinement

With Magic 3D Edgeband, experience a perfect fusion of aesthetics, functionality, and precision engineering, elevating the quality and design of your projects.

# B - CABINET HINGE SERIES

Innovation, Precision, and Durability

At KYNEX, we believe that high-quality hinges are the foundation of exceptional doors. Our hinges are engineered for innovation, reliability, and long-lasting performance, ensuring smooth operation and durability in every application.

Designed with superior mounting and adjustment capabilities, KYNEX 3D fast-assembly hinges offer effortless installation and precise adjustments, making them ideal for both professionals and DIY enthusiasts.

Our award-winning TECH hinge has revolutionized the industry with its integrated Silent System, delivering a seamless and noise-free experience.

Together with KYNEX 3D technology, our hinges provide versatile, high-performance solutions for virtually any application, combining cutting-edge engineering with exceptional craftsmanship.

# D - BED FITTING SERIES

Innovative Storage Solutions with KYNEX Bed Fittings

Maximize your bedroom space with KYNEX Bed Fittings, designed for smart, convenient, and efficient under-bed storage.

- **Effortless Access** – A 40-degree opening angle with a gas-lift mechanism ensures smooth operation and keeps the bed top securely open.
- **Versatile Load Capacity** – Choose from a wide range of Pro-Lift bed fitting mechanisms, with capacities from 500N to 1500N (for regular beds) and 1750N to 2000N (for heavy-duty beds).
- **Secure Mounting** – Separate M6 & M8 Mounting Screw Kits (set of screws, nuts, and washers) are available for easy installation.

Experience seamless functionality and durability with KYNEX Pro-Lift Bed Fittings.
